Artist: B-eight

din haptaa mahinaa gardai aja hera barshau bityo
Timro sath ma mero manle dukha pida sabai birsyo
Samaya sangai hamro sambandha le naya rup liyo
Sacho bhabda timro maya le malai yati khusi diyo

Aja thaha paye ke ho timi mero nimti
Adhuro hunechu ma timi napaye dekhi
Khusi timi mero eutai chaha mero
Bani nai bho mero aba maya timro

Aakha ko bato hudai man ma baseko cha
Indreni dhanus bani jindagi nai rangayo
Timi nai aba mero jhulke ko bihani
Timi bina sakdina ramauna khusi ma ni

Once upon a time hera yasari nai suru bhayo
Ek kadam usko, dui kadam mero
Conversation started and her voice is kind of mellow
Hello ke cha? baby are you single?
Can we make up something so we can be the couple
Lovers perfect jodi out of all trouble
Your picture in my eyes goes down to my heart
I'm levitated to the sky you are down to the earth

Girl you know that It's been lot of years
We've been together holding it tight
In every situation making it better proving it right
No matter how many haters stand against us we fight
Never holding back as long as you by my side
Love of my life I promise to keep your faith alive
Till I close my eyes when my soul faded to sky
Our relation so divine hard to describe
We ignite the fire of trust there's no place for disguise

Aja bholi bhandai barshau biteko chalai payina
Timro maya jasto aru abhash kehi bhetayina
Timro nai sathma bitos mero jindagi
Timrai nyano angalo ma badhna pau harek khusi

Nabitos kunai din timi nahudako
Sath ma huna pau khusi ani ruda man
Nachutos natukros sambandha yo hamro
Naghatos narittos maya hami dui ko

Aakha ko bato hudai man ma baseko cha
Indreni dhanus bani jindagi nai rangayo
Timi nai aba mero jhulke ko bihani
Timi bina sakdina ramauna khusi ma ni

Din hapta mahina gardai aja hera barshau bityo
Timro sath ma mero manle dukha pida sabai birsyo
Samay sanga hamro sambandha le naya rup liyo
Sacho bhanda timro maya le malai yati khusi diyo
