you can call me cupid when my arrow gona hit ya

everybody's looking at me way I am getting Crazy girl

I'm like a small baby happy in your Disney world

I can't wait for valentine

I prolly make you mine now

I will make you fall for me

I can be the parachute

when you falling down

I can be your caring hubby

you can be my wifey

we can settle down with a sweet little childy

You feeling me we gonna do this

Her smile and laugh
