```
I try and feel the sunshine
You bring the rain
You try and hold me down
F \cdot E
With your complaints
You cry and moan and complain
You whine an tear
Am G
Up to my neck in sorrow
The touch you bring
You just don't step inside to 14 years
So hard to keep my own head... that's what I say
You know...I've been the beggar...
Am C D
I've played the thief
I was the dog...they all tried to beat
But it's been
14 years of silence
It's been
G D
14 years of pain
It's been
14 years that are gone forever
```

Am G F E

Your stupid girlfriends tell you
That I'm to blame
Well they're all used-up has-beens
Out of the game
This time I'll have the last word
You hear what I say
I tried to see it your way
It won't work today
You just don't step inside to 14 years
So hard to keep my own head...that's what I say
You know...I've been the dealer...
Hangin' on your street
I was the dog...they all tried to beat

But it's been

14 years of silence

It's been

14 years of pain

It's been

14 years that are gone forever and I'll never have again

Bullshit and contemplation Gossip's their trade If they knew half the real truth What would they say Well I'm past the point of concern It's time to play These last 4 years of madness Sure put me straight Don't get back 14 years In just one day So hard to keep my own head Just go away You know...just like a hooker she said Nothin's for free Oh I tried to see it your way I tried to see it your way
