Artist: Guns N Roses

What we've got here is failure to communicate.

Some men you just can't reach...
So, you get what we had here last week
Which is the way he wants it!
Well, he gets it!
N' I don't like it anymore than you, men

Em
Look at your young men fighting

G
Look at your women crying

Em
Look at your young men dying

G D/F# Em G Em G D/F#
The way they've always done before

Em
Look at the hate we're breeding

G
Look at the fear we're feeding

Em
Look at the lives we're leading

G D/F# A B/A C/A D/A
The way we've always done before

Em
My hands are tied

G
The billions shift from side to side

D/F# Em
And the wars go on with brainwashed pride

G D/F#
For the love of God and our human rights

Em
And all these things are swept aside

G
By bloody hands time can't deny

D/F# Em
And are washed away by your genocide

G D/F# A B/A C/A D/A (Em G Em G D/F#)
And history hides the lies of our civil wars

G
D'you wear a black amrband

Bm
When they shot the man

Em
Who said "Peace could last forever"

G
And in my first memories

Bm7
They shot Kennedy

Em C D
And I went numb when I learned to see

G Bm
So I never fell for Vietnam

Em
We got the wall of D.C. to remind us all

G
That you can't trust freedom

Bm7
When it's not in your hands

Em
When everybody's fighting

C D
For their promised land

G Bm Em
And I don't need your civil war

G Bm7 Em C D
It feeds the rich while buries the poor

G Bm
Your power hungry sellin' soldiers

Em
In a human grocery store
Ain't that fresh

G Bm Em C D (G Bm7 Em G Bm7 Em C D)
I don't need your civil war

Em
Look at the shoes you're filling

G
Look at the blood we're spilling

Em
Look at the world we're killing

G D/F#
The way we've always done before

Em
Look in the doubt we've wallowed

G
Look at the leaders we've followed

Em
Look at the lies we've swallowed

G D/F# A B/A C/A D/A
And I don't want to hear no more

Em
My hands are tied

G
For all I've seen has changed my mind

D/F# Em
But still the wars go on as the years go by

G D/F#
Wuth no love of God or human rights

Em
'Cause all these dreams are swept aside

G D/F#
By bloody hands of the hypnotized

Em
Who carry the cross of homicide

G D/F# A B/A C/A D/A (Em G Em G D/F#)
And history bears the scars of our civil wars

(A B/A C/A D/A F/A C/A)

"We practice selective annihilation of mayors

And government officials

For example to create a vacuum

Then we fill that vacuum

As popular war advances.
Peace is closer."

G Bm Em
I don't need your civil war

G Bm7 Em C D
It feeds the rich while buries the poor

G Bm
Your power hungry sellin' soldiers

Em
In a human grocery store Ain't that fresh

G Bm Em C D
And I don't need your civil war

G Bm Em
I don't need your civil war

G Bm Em C D
I don't need your civil war

G Bm
Your power hungry sellin' soldiers

Em
In a human grocery store Ain't that fresh

G Bm Em C D
I don't need your civil war

G Bm Em G Bm7 Em C D G Bm Em
I don't need one more war

G Bm Em C D G
And I don't need one more war
