```
What we've got here is failure to communicate.
Some men you just can't reach...
So, you get what we had here last week
Which is the way he wants it!
Well, he gets it!
N' I don't like it anymore than you, men
Look at your young men fighting
Look at your women crying
Look at your young men dying
G D/F# Em G Em G D/F#
The way they've always done before
Look at the hate we're breeding
Look at the fear we're feeding
Look at the lives we're leading
G D/F# A B/A C/A D/A
The way we've always done before
My hands are tied
The billions shift from side to side
D/F# Em
And the wars go on with brainwashed pride
For the love of God and our human rights
And all these things are swept aside
```

```
By bloody hands time can't deny
D/F# Em
And are washed away by your genocide
G D/F# A B/A C/A D/A (Em G Em G D/F#)
And history hides the lies of our civil wars
D'you wear a black amrband
When they shot the man
Who said "Peace could last forever"
And in my first memories
They shot Kennedy
Em C D
And I went numb when I learned to see
G Bm
So I never fell for Vietnam
We got the wall of D.C. to remind us all
That you can't trust freedom
When it's not in your hands
When everybody's fighting
C D
For their promised land
G Bm Em
And I don't need your civil war
G Bm7 Em C D
It feeds the rich while buries the poor
Your power hungry sellin' soldiers
In a human grocery store
Ain't that fresh
G Bm Em C D (G Bm7 Em G Bm7 Em C D)
I don't need your civil war
Look at the shoes you're filling
```

```
Look at the blood we're spilling
Look at the world we're killing
G D/F#
The way we've always done before
Look in the doubt we've wallowed
Look at the leaders we've followed
Look at the lies we've swallowed
G D/F# A B/A C/A D/A
And I don't want to hear no more
My hands are tied
For all I've seen has changed my mind
D/F# Em
But still the wars go on as the years go by
Wuth no love of God or human rights
Em
'Cause all these dreams are swept aside
G D/F#
By bloody hands of the hypnotized
Who carry the cross of homicide
G D/F\# A B/A C/A D/A (Em G Em G D/F\#)
And history bears the scars of our civil wars
(A B/A C/A D/A F/A C/A)
"We practice selective annihilation of mayors
And government officials
For example to create a vacuum
Then we fill that vacuum
As popular war advances.
Peace is closer."
G Bm Em
I don't need your civil war
G Bm7 Em C D
It feeds the rich while buries the poor
