Ek dui tin paila haru ma aghi badhchu
Man bhaye timi ni badha
Malai thaha cha k cha timro man ma
Mutu le je bhancha tehi gara
Malai satayera kehi ni hunna
Ma ta basi rahane chu yehi hera
Jali raheko tyo mutu cha bhane
Auna ma sanga ayera ta hera
Bhagai dinchu sabai pida lera
Gai dinchu ma geet lekhera
Aau ma sanga ayera ta hera

I like it when you move your body
Help me watch you till I can't do it anymore
Please don't make me run for you anymore
Baby maybe we should stop this and be together
Are we never?
We'll be always happy and forever
I'll make it sure I promise
We don't have to pretend or deny this
whatever going on in your mind
This is what is going on in my mind I know
Malai satayera kehi ni hunna
Ma ta basi rahane chu yehi hera
Jali raheko yo mutu cha bhane
Auna ma sanga ayera ta hera
Bhagai dinchu sabai pida lera
Gai dinchu ma geet lekhera
Aau ma sanga ayera ta hera

Parikshya mathi parikshya maa ma
Barshayera k hola ra
Ma bhanda badhi timi bare
Khyal garne hala hola ra
Tarika nai tarika chan ni
Man ko kura bujhne yaha
Jaha jahan jau ma dekhchu

Timrai nai muhar tyaha

1,2,3,4,5 you know I can hit you anytime I like
So don't play no games with me
Send your resume maybe nI can
Relegate all the other candidates
Validation is all you need and I can give to you
I don't know how it came to this
But I can say hey
I don't know how it came to this
But I can say hey
I don't mean to sound rude
But the truth is always bitter yeah
What we gonna fo when we see the greener otherside
Pack your bag for the ride if you wanna come no pressure
a lot of flowers in the garden my pleasure

Ek dui tin paila haru ma aghi badhchu
Man bhaye timi ni badha
Malai thaha cha k cha timro man ma
Mutu le je bhancha tehi gara
Malai satayera kehi ni hunna

Jali raheko tyo mutu cha bhane
Auna ma sanga ayera ta hera
Bhagai dinchu sabai pida lera
