Hera hera suna na bhani, timro naam ma kati karau
mero saath rahane tyo bacha haru kasari bhulau
timro tasvir heri yo raat haru katai rahechu
din bhari feri kina timro yaad le satai rahecha..

Akha ko yo aasu roki, mutu ko yo maya chopi
Kaha jau maya
Thinking 'bout the days when we used walk
holdin each others hands and we talked
I will never let you cry, let us fly to somewhere far across this world
But maybe it was meant to, baby I just sent you
Breaking this heart and breaking the love
I will never let you cry, let us flyto somewhere far across this world
Hera hera suna na bhani timro naam ma kati karau..

Udi udi jane chari jhai, Bhurra udera kata harayou
pankha fazai sara baadalai baadal ma harayou...
Akha ko yo aasu roki, mutu ko yo maya chopi
Kaha jau maya
Thinking 'bout the days when we used walk
holdin each others hands and we talked
I will never let you cry, let us fly to somewhere far across this world
But maybe it was meant to, baby I just sent you
Breaking this heart and breaking the love
I will never let you cry, let us fly to somewhere far across this world

Once upon a time you were just what I needed
so i'll never say that I regret you or say that wish
I never met you, let you get into my heart oh baby..

Akha ko yo aasu roki, mutu ko yo maya chopi
Kaha jau maya
kaha.. maya...
Hera hera suna na bhani, timro nam ma kati karau
mero saath rahane tyo bacha haru kasari bhulau
