I think i drank too much last night  
Havoc in my brain  
I need a remedy  
I wanna make it alright aaahh  
Make it alright make it alright  
Time on the clock is 1, 2  
Everybody already on their grind  
Why is she by my side do i know her i need to  
Get out of here as soon as possible wait  
I dont think its possible  
I got no where else to go  
Oh its my home, in my bed  
All i could do is make some eggs for me for her what am i gonna do about her  
Oooooo ooooo  
Oooo what am i gonna do

Theres nothing wrong with you  
I think ur beautiful  
Yo galti mero ho timro haina  
Sajha ko bela hera  
Samhaliyinna mero mann mero mann  
Samhaliyinna mero mann mero mann  
Samhaliyena mero mann mero mann  
Samhaliyena samhaliyena mero mann  
Rangin rangin raat lai bhadkiyo dimag  
Maya bhanne asa le hunchu ma bimar  
Rangin rangin raat..... bimar

Paune ho afailai nai hasayera khushi  
Bachunjela ramaune ho ki  
Kehi raat kehi din jingadi ma kati  
Sunsan kahile maja ko kami  
Timi ako na ako kaile ho gako  
Maile bolako pani  
Thahaibhayena  
Barai mahina ma  
Yo andhakar pasina  
Mudra thakit nai cha  
Sutda ta thik nai cha

Khali chalchitra herda  
Alikati michdichu akha  
Suna bujha afaiii

Theres nothing with you  
I think ur beautiful  
Yo galti mero ho timro haina  
Sajha ko bela hera samhaliyena mero mann mero mann  
Samhaliyinna mero mann mero mann  
Samhaliyinna mero mann mero mann  
Samhaliyena mero mann mero mann  
Samhaliyena samhaliyena mero mann
