B
There’s a Red House over yonder
E B B
That’s where my baby stays
E
There’s a Red House over yonder, baby
E B B
That’s where my baby stays
F# E
Well, I ain’t been home to see my baby,
B F#
In ninety nine and one half days.

B
Wait a minute something’s wrong here
E B B
The key won’t unlock the door.
E
Wait a minute something’s wrong baby,
E B B
Lord, have mercy, this key won’t unlock this door,
(something’s goin’ on here)
F# E
I have a bad bad feeling
B F#
that my baby don’t live here no more.
(That’s all right, I still got my guitar
Look out now . . .)

B

I might as well go on back over yonder
E B B
Go back 'cross yonder over the hill
E
I might as well go back over yonder
E B B
Way back over yonder 'cross the hill,
(That’s where I came from.)
F# E

‘Cause if my baby don’t love me no more,
B F#
I know her sister will.
