Timro manmaa saano khali thaucha
Tyo thauma basna deuna
Man mero khali cha timro lagi nai
Timi ayi maya bhari deuna
Nai nai nai aru kohi baseko
Herna ma sakdina
Nai nai nai aru kohilai
Tyo thauma suhaudaina

Chaitra Baisakh barhai mahina
Timrai sathma huna pau
Haftako saat dinai
Sangai bihanilai herna pau
Hiudako chiso hos ya
Barkha yaamko jhari
Basantako phool phulne cha
Manko aagan bhari
Ghrishmako tyo charko ghamlai
Chekne ma timro chahari
Shishirko huri bani
Udaula ni manko bhari
Sharadma romantic geet
"K yo maya ho" gaudai
Angali mutu cheuma
Rakhnechu ma timlai sadhai
Dajna sakdina ma
Timilai aru sanga
Jaba timi bina fika lagcha
Jindagiko harek ranga
Naulo halchal jindagiko
Karana timi hau
Nirdhakka hunchu jindagiko
Daudma sathi timi chau
Napatyaye sakshi chan
Raatko joon ra tara haru
Sodha tinilai timro samjhanama
Kati khusi hunchu
Basai saryo manle khojcha

Timro manma thau
Aankhako bato hudai
Thegan chai malai batau

Timro manma sano khali thaucha
Tyo thauma basna deuna
Man mero khali cha timro lagi nai
Timi ayi maya bhari deuna
Nai nai nai aru kohi baseko
Herna ma sakdina
Nai nai nai aru kohilai
Tyo thauma suhaudaina

Look I picture your face
And write these lyrics
To embrace very beatdrops
With essence of purity
Up god is the witness
I ain't bluffing
You took away my heart
And I can't stop thinking
And it's not a song
Mera man bhitra ko bhav ho
Bhok ra nindra haina
Mero hosh chai harako ho
Pokhdai chu yo pana ko
Sabda haru timrai lagi so
Sunideu ani bhana
What you think about it girl
I'm patiently waiting for the time
When you come by my side
and hold me tight
These rhymes that I design
Just to define kati maya garchu timilai
Tyasaile suna ani sodha
Afno manlai pani
Timi ra ma bhata banna
Sakchau k aba hami
Bhandinna aru keta
Bhanda chu ma bhinna
Tara saya thariko bacha kasam
Timilai kadapi dinna
Timro muskanko nimti
Merai khusi diula baru
Nasakne aru kura
Timro samu kina garu

Look into my eyes
You'll know what you mean to me
You got me hypnotized
You're the finest thing i've ever seen
Now let the world know

About our love story
I wanna grow old with you till eternity
So all that I want from you
Is just a place in your heart
No matter how time passes
I'll always stand by your side
Cuz you're all that I need
And I'mma be the one to hold you down
So you can count on me for anything
Just let me fill the black space
In your heart

Take a look I'm a good guy
And I know you're a good girl
Hey there let me change your flavour
Here we start our love story
In a different level
There's hundred guy and thousand lies
And I'm not the player
But I'm always on the mood
And you notice me like flyer
Everyday is celebration
Brighter like the summer together
Cuddling like the lover
So I keep it real feel
And I'm not about the swagger
Yes I'm your Mr. Right
Jasto sukai dami hos
He gotta get aside
Ani timi ra ma
We can color off
A better life, better way
We moving into better day
You and me we always great
Greater than this falling fate

Timro manma sano khali thaucha
Tyo thauma basna deuna
Man mero khali cha timro lagi nai
Timi ayi maya bhari deuna
Nai nai nai aru kohi baseko
Herna ma sakdina
Nai nai nai aru kohilai
Tyo thauma suhaudaina
